

Bishopslea Preparatory School For Girls

Established 1932

3rd February 2012

Dear Parents

Our grateful thanks go to all parents who attended the PTA's AGM yesterday evening. Fortunately there was a quorum so the meeting was held. Our thanks must also go to the outgoing PTA committee, and especially the outgoing Chair, Mercy Msipa, for all they have done for the school over the past year. We now wish the new committee, and especially the new members, every success for their term of office.

It seems incredible that Half Term is only two weeks away. Please note that Friday, 17th February to Monday 20th are the Half Term dates.

Congratulations must go to our Tennis Teams for their high standard of play and to our Cross Country Teams for their huge efforts and successes. The standard of play, especially of the Tennis Team is quite exceptional and very exciting to watch.

Most of the teachers are now using their data projectors and interactive projectors after the seminar last Friday. The remaining four classes that still do not have theirs will have them installed this weekend. Unfortunately, four of the units supplied had to be replaced as they were different specs to the others. They have arrived though, and are ready for installation. This morning the teachers had a short seminar in an e-Library resource of material for use with the new systems. This proved very informative as well.

The Inter-House Bonds and Tables competitions will be held next Friday. These are held termly in each class with the results going towards the Inter-House Bonds & Tables Trophy awarded at Prize Giving.

Attached to the e-mailed newsletter are before and after photos of the Computer Room, which I am sure will be of great interest to all.

Tennis Results

Herewith this week's tennis results:

FA vs Ruzawi	rained off	FB vs Ruzawi	lost	4 – 5
1 st vs Ruzawi	lost 6 – 10	2 nd vs Ruzawi	lost	7 – 9
